## INTERNSHIP PROGRAMME – AIRCRAFT MAINTENANCE (MALAYSIA)

### Description

ExecuJet MRO Services Malaysia will be running an internship programme for students (**Malaysian only**) who are pursuing an aircraft maintenance course.

This is a great opportunity for students to perform their “on the job” training which is required by universities or institutions.

Students will be exposed in technical areas such as maintenance, repair, overhaul or modification of aircrafts engines or components.

**Internship period: AUGUST 2020 – JANUARY 2021**

### Facility location:

Raya Airways Engineering Complex  
Lot 4060 (AA/4/65)  
Sultan Abdul Aziz Shah Airport  
47200 Subang  
SELANGOR

**Application closing date: 31 JULY 2020**

Please send resume (with latest photo), cover letter and certificates (if any) to [kualalumpur.humanresources@execujet-mro.com](mailto:kualalumpur.humanresources@execujet-mro.com)

Take note that our HR personnel will be contacting the short listed students for walk in interviews.

Students are most welcome to contact our **HR Department on 03 7842 1330** for more information.
