Schedule 2 to Certificate of Approval

Number: CASA.COA.0482 Revision: 5

Reference Number: 1-13TRWE

Approved activities set out in Schedule 1 are subject to the following conditions:

1. The Reference Number must be used when the Civil Aviation Regulations 1988, the Civil Aviation Safety Regulations 1998, or an instrument made under any of these regulations requires a CASA reference number to be included in a Form or other document, for the purpose of the regulations or the instrument.

Note: The Reference Number is the certificate holder's original or "legacy" reference number to be used and cited as it has previously been used or cited.

2. All maintenance carried out at temporary locations must be carried out in accordance with the provisions of the Execujet MRO Services Australia Pty Ltd Procedures Manual. Proposed changes to Execujet MRO Services Australia Pty Ltd Procedures Manual must be accepted by CASA in writing before being implemented.
