**APPROVED MAINTENANCE ORGANISATION****PART B- Issuance and Applicability**

a. These Operations Specifications are issued to **ExecuJet MRO Services South Africa (Pty)LTD** an Approved Maintenance Organisation. The approved maintenance organisation certificate holder shall conduct operations in accordance with MCARs chapter 6 and these Operations Specifications.

The certificates holder's address:

Fixed Location

**Entrance 1, Airport Road,
Lanseria International Airport
Krugersdorp
Gauteng, South Africa, 1748**

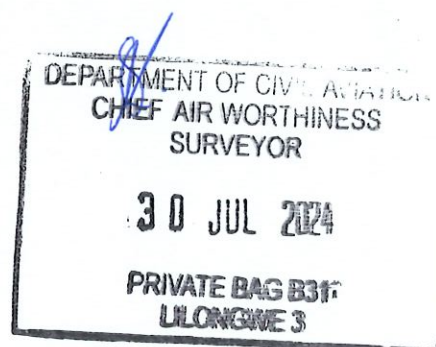

Mailing Address

**P.O BOX 32
Lanseria
1748**

b. The holder of these Operations Specifications is the holder of Certificate Number **MI/434/2023** and shall hereafter be referred to as the certificate holder.

c. These Operations Specifications are issued as part of this Approved Maintenance Organisation Certificate, and are in effect as of the Effective Date. This certificate and Operations Specifications shall remain in effect until **29 July 2026.**

Effective date: **30 July 2024**

**APPROVED MAINTENANCE ORGANISATION****PART C- Definitions and Abbreviations**

Unless otherwise defined in these Operations Specifications, all words, phrases, definitions, and abbreviations have identical meanings to those used in the Malawi Civil Aviation Regulations and Malawi Aviation Act, as amended. Additionally, the definitions listed below are applicable to operations conducted in accordance with these Operations Specifications.

AOC	Air Operator Certificate
AMO	Approved Maintenance Organisation
CAA	Civil Aviation Authority
MCAR	Malawi Civil Aviation Regulations

Certificate Holder In these Operations Specifications the term "certificate holder" shall mean the holder of the approved maintenance organisation certificate described in these Operations Specifications in Part B and any of its officers, employees, or agents used in the conduct of operations under this certificate.

Class Rating As used with respect to the certification, ratings, privileges, and limitation of aircraft, powerplant, propeller, radio, instrument and accessories within a category having similar operating characteristics.

Exemption Authority An authorisation that permits an alternate means of compliance with a MCAR. The exemption authority must meet the procedural requirements of Regulation 4 of MCAR Chapter 6.

Limited Rating Rating issued to AMOs for the performance on particular makes and models of airframes, powerplants, propellers, radios, instruments, accessories, and/or parts.

Specialised Services Rating issued for a special maintenance function when the function is performed in accordance with a specification or data acceptable to the Director of Civil Aviation.

Maintenance The inspection, overhaul, repair, preservation, and replacement of parts, but excludes preventive maintenance.

MCARs	Malawi Civil Aviation Regulations
MCM	Maintenance Control Manual
MPM	Maintenance Procedure Manual

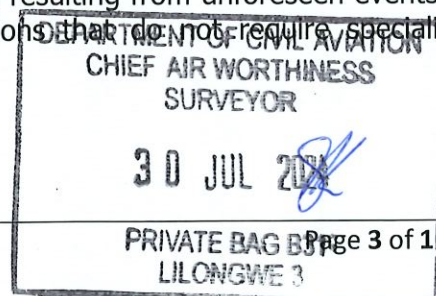

Preventive Maintenance As defined in Regulation 2 (1) (m) of MCARs Chapter 5 does not involve complex assembly operations.

Line maintenance means any unscheduled maintenance resulting from unforeseen events, or scheduled checks that contain servicing and/or inspections that do not require specialised training, equipment, or facilities.
